* The maps shown on this page are available in the various types shown. The type numbers refer to the following map types:

Available Map Types

1. Land Use and Land Cover
2. Political Units
3. Hydrologic Units
4. Census County Boundaries
5. Federal Land Ownership
6. State Land Ownership

Every map (of any of the six types) shown on this page is available on any one of the following three materials:

Available Materials

- A. Clear stable base film positive (\$45.00)
- B. Matte stable base film positive (\$45.00)
- C. Diazo paper positive (\$4.00)

Please contact any Earth Science Information Center (listed on the inside back cover of this catalog) for assistance in ordering these products.
