Instructions for Finding Plats & Field Notes

Township/Range:  
Use leading zeroes (2 digits)  
This search include half townships

Volume:

01 S N Go  
01 E W Go  
001 Go

**Step 2. Links to Plats and Field Notes appear. Plats have direct links. Field Notes require some detective work. Click on Master Index Page for further information on Field Notes.**

Original GLO Survey Plats & Field Notes  
Township/Range: 01 S / 01 E

The Plats are here.

This is the starting point for finding Field Notes

Field Notes  
Master Index Page

NOTE: Volume references found on the master index page(s) linked above may not be listed in the table below. To search a volume separately, enter the desired volume number and click 'Go'.

Search Volume:  Go  
Example: 001

Township	Range	Volume	Index Page	Link to Diagram Page	Link to Pages in Volume
01 S	01 E	001	3	001D03.tif	Link to All Pages in Volume 001
01 S	01 E	063	2	063D02.tif	Link to All Pages in Volume 063
01 S	01 E	249	1	249D001.tif	Link to All Pages in Volume 249
01 S	01 E	001	1	001D01.tif	Link to All Pages in Volume 001

### Master Index Page

The Master Index Page shows all the volumes containing information on the selected township.

In this example, Volumes 1 and 2 contain information on the township Exterior; Volumes 2 and 63 have information on the Interior.

This information is useful if you want to perform a search by Volume.

Field Notes  
Master Index Page

NOTE: Volume references found on the master index page(s) linked above may not be listed in the table below. To search a volume separately, enter the desired volume number and click 'Go'.

Search Volume:  Go  
Example: 001

Township	Range	Volume	Index Page	Link to Diagram Page	Link to Pages in Volume
01 S	01 E	001	3	001D03.tif	Link to All Pages in Volume 001
01 S	01 E	063	2	063D02.tif	Link to All Pages in Volume 063
01 S	01 E	249	1	249D001.tif	Link to All Pages in Volume 249
01 S	01 E	001	1	001D01.tif	Link to All Pages in Volume 001

### Diagram Page

Step 4. The diagram page is displayed. Find the section you are interested in. Note the number next to the section. Remember this number you will need it later.

For example, for this area, you remember number 125.

**Step 5. From the previously displayed page, click on the Link to Pages in Volume.**

Note: Be sure to click the link NEXT to the Diagram Page you selected in Step 2.
